LEED® GOLD +

LEED® designed office buildings offer cost effective operating systems, enhanced occupant health and well-being, and improved employee productivity.

- 90% reduction in storm water run off
- 64% reduction in potable water consumption by harvesting and recycling rain water
- 23% energy cost savings with geothermal heating and cooling
- Triple-glazed exterior curtain wall system that eliminates the need for perimeter radiation
- Average of 78 independent cooling zones per floor

AREA AMENITIES +

PUBLIC TRANSIT

Direct access to ETS Transit Hub and close proximity to both Churchill and MacEwan LRT stations.

HOTELS AND RESTAURANTS

Enjoy a glass of wine and fire roasted pizza at BucO Pizzeria + Vino Bar in our lobby. Several other hotels and restaurants are a short walk away.

SHOPPING

Close proximity to several Edmonton retail centers, including the shops on 104th and Edmonton City Centre.

ENTERTAINMENT

Walking distance to Edmonton's Arts/Entertainment District, the new Royal Alberta Museum, ICE District and Rogers Place.
